

LOW COST AWARDS!

The Runner's High has found a unique alternative to the generic award medal. Now, you can showcase your awards with art that is customized to your event.

Each medal features a full color insert which is "domed" with a clear epoxy gel which dries to a beveled lens with a magnified appearance. The art can be a digital photograph, a scanned logo, or a design from your event's T-shirt. The result is a high quality award at a comparable price to the "generic" medal.

The same "domed" self stick label can be attached to a brass lapel pin. Lapel pins make great promotional give-aways and fund-raising tools. Pins are available in many sizes and shapes. They can be personalized as name tags or worn on hats, jackets, and book bags. Everyone likes lapel pins. They're inexpensive and always an **eye-catcher**. Get the advertising exposure of a t-shirt in a small professionally printed lapel pin.
